### PROJECT PURPOSE

**CP4ALL** is a 2 year project aiming at optimizing Civil Protection preparedness activities in favor to vulnerable social groups – especially children – in case of emergencies, in particular right after the disaster happening, when citizens are often required to live in provisory camps. The project will train specific profiles that operate within Civil Protection and/or Red Cross organizations and which are competent for dealing with kids and other vulnerable people in the post disaster phase.

### PROJECT PARTNERS

**CP4ALL** project is being developed thanks to the cooperation and expertise of the following organisations:
